Best Sommelier of the World 1998

Pale yellow colour with green hue. Elegant nose with hints of citrus fruit, discreet minerality and a touch of brioche. On the palate well balanced with medium weight and length, good mousseux and elegant citrus fruit.

Best Sommelier of the World 2007

Pale straw colour, slightly aromatic with green apple, fresh grapes and citrus notes, the palate has a creamy texture, pleasant fruit, ripe citrus and balanced acidity, medium to long finish.
