Bright yellow colour with green hue.
Aromatic nose with flavours of fresh hazelnuts, brioche, juicy pear and citrus fruit. On the palate well balanced with medium weight and good length, depth and good mousseux, ripe fruit in the finish.

Light golden colour with mature bubbles. The nose offers some complexity and maturity with butter, roasted nuts, yellow fruit and some bready notes, the palate has good balance, mature flavours, rounded and creamy texture with balanced acidity and a long slightly sweet finish.
